Hello, Captain Chris and Captain Alyse:

Donadee and I want to Thank You for recommending Captain Dana Whitton for our boat training. She was very patient and thorough in her training and taught us the basic skills we need. We are leaving Sarasota, FL next week to begin our trip around America's Great Loop and will be using the skills she taught us.

Thanks again for the recommendation!

Captain Dana:

We want to sincerely "Thank You" for your time and patience during our training sessions. You gave us the basic knowledge and confidence to safely maneuver, navigate, and dock our DeFever 47 Performance Offshore Cruiser, "Always Home." We believe this speaks volumes for your professionalism and reputation. We can't thank you enough for your hard work. We are looking forward to casting off the end of December to begin our journey around America's Great Loop. We would whole-heartedly recommend Captain Dana Whitton of Mermaid Charters as a training captain to anyone wanting to learn boating skills.

Sincerely,

Wayne and Donadee Jones
